St. Paul's winner calls mom first to celebrate $100K POKER LOTTO win!

"She was pretty speechless when I told her the news!"

Glen Missal is St. Paul's latest lottery winner, and he just couldn't wait to share the news with his mom!

The Albertan took home a $100,000 prize on POKER LOTTO's May 9 nightly draw.

He said he prefers instant win games like POKER LOTTO and plays them regularly, but this win was anything but regular!

"The [retailer] said it was a big winner, but we had no clue just how much!" he laughed.

"I called and told my mom, who was pretty speechless when I told her the news," he added.

The St. Paul winner said he typically stays pretty calm, but this win had him feeling very excited for his future.

"It's going right to the bank for my retirement," he said. "It feels really good!"

Missal purchased his winning POKER LOTTO ticket at Circle K at 4447 50 Ave in St. Paul. He won his prize by matching all five cards drawn on the May 9 nightly draw — 10 of spades, 4 of clubs, 6 of diamonds, 7 of diamonds, and 8 of diamonds.
